ARTICLE III

It is recognized that the Borough has and will continue to retain the rights and responsibilities to direct the affairs of the police in all its various aspects. Among the rights retained by the Borough are its rights to direct the working forces; to plan, direct, and control all the operations and services of the department; to determine the methods, means, organization and personnel by which such operations and services are to be conducted; to contract for the subcontract out services; to relieve employees for legitimate reasons; to make and enforce reasonable rules and regulations; to change or eliminate existing methods, equipment or facilities, provided, however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this agreement and that a grievance may be filed by the Association alleging such conflict.

ARTICLE V

GRIEVANCE PROCEDURE

SECTION 1--GENERAL

In the operation of the Police Department, it is recognized that on occasion a complaint may rise between the Borough and the Association, or between the Borough or any one or more employees concerning interpretation, application or violation of policies, agreements, and administrative decisions affecting them. The Borough and the Association earnestly desire that such grievances be promptly settled so that the efficiency in the department shall not be interrupted and morale of the employees shall not be impaired. Accordingly, a procedure for grievance of any such complaints that may rise, which procedure will be kept informal, is outlined hereinafter. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss this matter informally with any appropriate member of the departmental supervisory staff, and having the grievance adjusted without the intervention of the Association.

SECTION 2--PROCEDURE TO BE FOLLOWED

The Association and Borough specifically agree that the grievance procedure shall be the sole and exclusive method available for adjusting employee complaints, except such additional methods as are provided for in Civil Service Regulations affecting the job category for employees who are affected by the within Agreement. Accordingly, the Association pledges that if any dispute arises under this Agreement, it shall be settled in the manner provided for in this Article and pending such a settlement, all employees

shall carry out their assignments as directed by the Borough and their supervisory officers. If any employee should refuse to follow the settlement procedure herein, but rather takes some other action, except such action as is provided for in Civil Service regulations, such other action shall constitute a violation of this Agreement and shall make the employees and all other employees participating in such violation subject to disciplinary procedures at the discretion of the Borough, and subject to the provisions of the Civil Service Regulations. Any discharge or disciplinary action by the Borough or supervisory employee may be appealed by the employee or the Association in accordance with the grievance procedure. A complaint or grievance of any officer relating to conditions of work, if not otherwise provided for in law, rules or regulations shall be settled in the following manner:

Step One

The aggrieved shall institute action under the provisions hereof within seven (7) calendar days after the event giving rise to the grievance. The action will be instituted by the grievant submitting a signed statement setting forth in writing a concise factual report of the grievance. An earnest effort shall be made to settle the differences between the aggrieved employee and the Lieutenant/Captain on duty at the time the grievance is filed for the purpose of resolving the matter informally. Failure to institute action within the said seven (7) calendar days shall be deemed to constitute an abandonment of the grievance. The aforementioned seven (7) calendar day limitation may be extended upon presentation to the Borough of a physician's certificate attesting to the incapacity of the grievant to file within the prescribed time. The Lieutenant/Captain shall make an effort to resolve the problem within a reasonable time, but shall render a decision in writing within seven (7) days after receipt of the grievance.

Step Two

If the grievance is not settled at the first step, the grievant may make written request for a second step meeting within five (5) calendar days after the answer at the first step. The Chief, or his designee, shall set a meeting within five (5) calendar days after the request, or for such other time as is mutually agreeable. The Chief's answer to the second step shall be delivered in writing to the grievant and the Association within seven (7) calendar days after the meeting.

Step Three

If the aggrieved person is not satisfied with the handling or result of the grievance on the second step, he may within five (5) calendar days notify the Mayor and Council that he wishes to have them rule on the aggrieved matter. A meeting shall be set within thirty (30) days after the Mayor and Council have received

the request that it rule on the matter. The Mayor and Council's decision shall be delivered in writing to the grievant and the Association within seven (7) calendar days after said meeting.

Step Four

Should the aggrieved person be dissatisfied with the decision of the Mayor and Council, and if the grievance alleges a violation, misapplication, or misinterpretation of the specific provisions of this agreement, the Association may submit the dispute to final and binding arbitration pursuant to the rules and regulations of the New Jersey State Board of Mediation. The decision of the arbitrator shall be final and binding on all parties to the dispute. The Arbitrator shall limit his decision to the issue submitted and he shall be without power to add to, delete from, or modify the provisions of this Agreement.

SECTION 3--REPRESENTATION

In using the grievance procedure established herein an employee is entitled at each step to be represented by his Association representative or an attorney chosen by the Association, but not by both. However, both may be present.

SECTION 4--TIME LIMITS

Failure by the aggrieved or the Association to forward a grievance within the specified time limits shall terminate the grievance. Failure to respond to a grievance within the specified time limits shall permit the aggrieved to advance to the next step.
